FROM THE HEADTEACHER

Teaching children to read is one of our passions in school and we love taking advantage of opportunities to encourage readers at all different ages and stages to be involved in activities that increase their motivation and enjoyment of books. This week, a group of Year 6 children had the opportunity to take part in the Leventhorpe Annual Book Awards with other local primary schools. They had a big reveal of the 6 books that had been shortlisted for them to read by May when they will return to discuss the books and vote for their favourite.

Sam said that lots of the children liked the different books chosen and it was a fun afternoon. "I'm looking forward to reading them and have already started Bigfoot Mountain which I am loving. It was a great chance to discuss our first thoughts about

them all together. "

This event helps to further encourage the love of reading that these children already have and also encourages them to read a range of books that they may not usually choose. It is great to be part of a wider community that works together to promote a love a books and to share experiences of really good books. I recall the excitement and enjoyment experienced by all of the participants from our school when they took part last year and anticipate that this year will be same. I am looking forward to hearing more about the books and which ones

the children recommend. I may even have time during half term to pick up one or two if the recommendations are strong enough. (see pictures below)

Ruby class have been enjoying time outside looking to see what is growing. They saw these snowdrops and then looked for more. They have also been watching the growth of their cress caterpillars that they planted last week.

Uniform for PE: I have noticed that a number of children are not wearing the PE clothing that we request as part of our uniform. Please see the list below:

- Red PE T-shirt with school logo
- Navy blue shorts / skort
- Plain navy tracksuit or navy hoodie and tracksuit bottoms
- Trainers

Please name the uniform: We are experiencing a lot of issues with lost clothing and would urge to name your child's items so that they can easily be returned. Children take off sweatshirts, hoodies and tracksuit tops when they become too warm, which can even happen at this time of year when they are physically active, and without names it is very difficult to unite these items with their owner. We have recently accumulated a lot of lost property, particularly hoodies and despite efforts, have been unable to identify who they belong to.

If any parent is interesting in helping the school to set up and run second hand uniform sales, then please do contact the office.

Safer Internet Day 2023 will take place on the 7th of February 2023, with celebrations and learning based around the theme 'Want to talk about it? Making space for conversations about life online'.

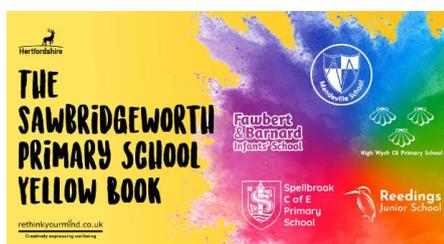

The aim is to engage children and to try to answer the following questions:

- What issues really matter to children and young people?
- What changes do they want to see?
- How can we all work together to advocate for them moving forward?

We shall be providing opportunities for children to discuss and feedback to us their thoughts on each of these questions but would also welcome your views and will be sending out a brief questionnaire, that the children will help us to design, in order to find out. If you haven't had a look at this website, please do.

Children's Mental Health week: Next week is also Children's Mental Health week and will see the launch of the art work for the Yellow Book that we are involved in with other local schools.

Artwork from each of our year groups has been entered for the shortlisting – see above. Of those selected for shortlisting, 10 of ours will be in the published book.

MESSAGE FROM GREAT ST MARY'S CHURCH

Father Simon writes:

Last weekend was rather busy in the life of Great St Mary's. On the Saturday, more than 30 of us went on a parish awayday to Windsor. The weather was kind allowing us to watch the Changing of the Guard at the castle in the morning, while others took a look around the shops.

But the main aim of going was to have a tour

of St George's Chapel within the castle. This is the place where Her Late Majesty Queen Elizabeth now lies, alongside the graves of her father King George VI, her husband Prince Philip, and sister Princess Margaret. Queen Elizabeth joins other monarchs such as Edward III, Henry VIII, and Charles I who are also buried in the royal chapel.

After tea and cake, we attended choral evensong beautifully sung by the gentlemen of the chapel choir, before we headed back to the coach - weary but thankful for a wonderful and enjoyable day of fellowship.

The following day we bid a fond farewell to Revd Debbie and her husband Richard. Revd Debbie preached and led the service after which our bell ringers honoured Revd Debbie's six-year ministry to our town by ringing a quarter peal. We then all gathered for a wonderful celebratory lunch. The turnout - not just from Great St Mary's but from the town and the deanery - was a testament to the impact Revd Debbie's had on our lives. There was a cake to be cut, a splendid spread of food, and there were, of course, speeches.

Revd Debbie received a cheque collected from the congregation totalling an incredible £2,000, the *Sunday Club* gave Revd Debbie a beautiful heart-shaped fingerprint painting to say thank you for her ministry to them and to *Mustard Seed*, and the PCC gave Revd Debbie and Richard a framed photograph of Great St Mary's which will no doubt take pride of place in their new home.

Have a great weekend.

Fr Simon

Reach Out - Volunteers required, can you help ?

Reach Out is looking for people in Hertfordshire who can spare an hour a week to help an elderly person in their local area who is home from hospital, or living with frailty, and feeling lonely and isolated.

Reach Out offers companionship and practical support to people as they recover and rebuild their confidence. Many elderly people really appreciate someone popping in for a cuppa, or helping them by collecting small items of shopping for them. Reach Out links up people who are isolated with volunteers who can offer a friendly face and a chat.

Just giving a small amount of your time can make a huge difference.

Find out more here <https://www.reachout-project.org.uk/> or contact Reach Out via email at reachout@nhcvs.org.uk or by calling 01462 689403.
