### SPELLBROOK CHURCH OF ENGLAND PRIMARY SCHOOL

LEARN TOGETHER - ENJOY TOGETHER - SUCCEED TOGETHER

## NEWSLETTER – 23<sup>rd</sup> June 2023

### **VALUE: Respect**

**Focus**: Valuing others as we would like to be valued "In everything - in every circumstance – do to others as you would have them do to you.0 (Matthew 7:12)

Art Activities across the school

**FROM THE HEADTEACHER** 

Across the school, we have been getting arty this week.

**Diamond Class** have been learning about the columns that were constructed by the Ancient Greeks. They have found out about the three types: Doric, Ionic and Corinthian using chalk and charcoal to create these beautiful columns. They used shading and blending to show light, shade and depth.

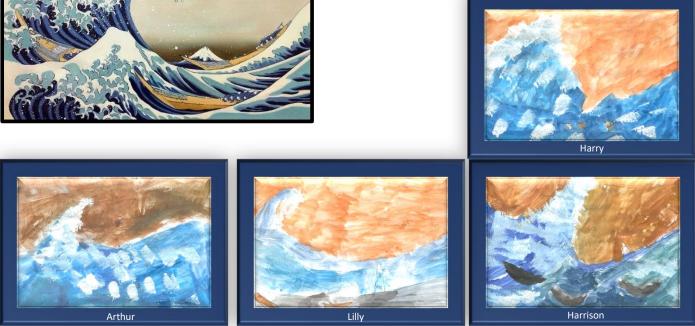

**Emerald class** have been creating abstract art, inspired by the work of Frank Bowling (OBE), a British artist who has been producing celebrated modern art since the 1960s. The children learned about the artist and looked at some his works. They found out that his abstract art evokes a sense of movement and uses colour to inspire the imagination. They focused on works that evoked a sense of water. Using different materials (paints, glue, paper, string and wool) and tools (forks, knives, glue spreaders, brushes and spoons) they enjoyed coming up with their own water-inspired, beautiful creations.

Sapphire Class: The Great Wave off Kanagawa. After studying this work of art by the Japanese artist Hokusai, the children in Sapphire class mixed their own colours to paint to their own 'Great Waves'.

Ruby Class have been making different clay animals. They used what they had learned last week, whilst making hedgehogs to make other animals. As you can see, they have done really well.

Nine children from Emerald Class went to play rounders against some of our local primary schools on Tuesday at Leventhorpe. The event was run by the Year 10 Sports Leaders who were fantastic in coaching them and encouraging them through the games. The children played in five games and managed to score lots of rounders and half-rounders too. The more games they played, the better their fielding and batting skills became as their confidence grew. The children took turns bowling and being in different fielding positions and took the opportunity during one of our rest times to practise their bowling skills. Alden made a fantastic catch against one team and Percy took a few body hits in his enthusiasm to catch the ball. A great time was had by all, and we were lucky that the weather was not too hot on the day.

Now as I'm sure many of you know, the Golden Rule as it is known across a number of faiths goes something like "treat others as you would have them treat you". St Matthew cites the rule in his gospel, and it's a translation of that verse which we often use at Spellbrook to remind ourselves of the rule. "In everything -in every circumstance – do to others as you would have them do to you. (Matthew 7:12) So the rule has become integral to our School Vision and we have it displayed on a large banner in the hall to encourage us to reflect on it, and apply it to the way we engage with others.

It is also features in our learning about our current value, Respect, and helps us to think about how to treat others respectfully. Sapphire Class (Y1/2) have been acting out

dramas and creating scenes that show what this means to them.

Health and Safety Reminder: Please do not bring pets on site.

Have a lovely weekend.

### **MESSAGE FROM GREAT ST MARY'S CHURCH**

#### **Father Simon writes:**

What a feast of sport there's been once again on our television screens this past week: tennis from Queen's, the first of the men's England versus Australia Ashes tests from Edgbaston, and now the first of the women's Ashes tests.

We're now well into the sports season, with fans travelling far and wide to watch their favourite teams or players perform in various sports. What always amazes me is the depth of encouragement the fans give to their favourite teams or players - even when things aren't going their way. Indeed, the captain of the Australian women's cricket team was commenting in a press conference this past week about the level of support for sport in this country - particularly, compared with other places in the world, for women's sport.

And if a player or team is having a bad game, the encouragement of the crowd to carry on despite their possible sense of pessimism can turn a game around. Indeed, in football, many a player will talk about the enthusiasm of their home crowd being worth almost another player on the pitch - the fabled 'Twelfth Man'.

At this moment in church, we're hearing the gospel stories of Jesus sending his apostles out into the world to do everything he's been doing up until this point: preaching, healing, preparing the way for the coming of the Kingdom of God. But he warns them that it won't be an easy task and it's going to cause them a great deal of bother. It'll ruin their reputations and possibly create fall outs with their families. He talks about how some of his followers may experience shame, violence, pain, suffering, isolation, and even death.

We all face fear and anxieties at times. We may not always be subject to what Jesus is talking about, but I'm sure many of us aren't unfamiliar with some of these realities such as the pain and heartache of losing someone who is oh so precious to us.

Jesus' message, though, is simple: 'Do not be afraid'. Why? Well, because we too have a twelfth man on our pitch, supporting us, encouraging us, cheering us on.

After his return to heaven, Jesus sent his Holy Spirit to be with his followers. And Christians believe that we too have the gift of the Holy Spirit working with us, guiding us, inspiring us, and giving us the courage to step out in faith.

It's a message of encouragement which should give us confidence, despite our fears, and allow us to experience fully the life God intends for each one of us.

Have a lovely weekend,

# Fr Simon
