# What do you know about your local area?

What is your local area called?

What is your address?

Do you know any other nearby towns or villages?

What do you know about where you live?

Where in the world do you think we are?

We live in England, in the United Kingdom (UK). The UK is in the continent of Europe.

Where in the UK do you think we are?

Where in the UK do you think we are?

We are here.

We live in the south east of England.

Some of us live in Hertfordshire and some of us live in Essex because we are near the county border.

Try locating some  
of the places you  
know...

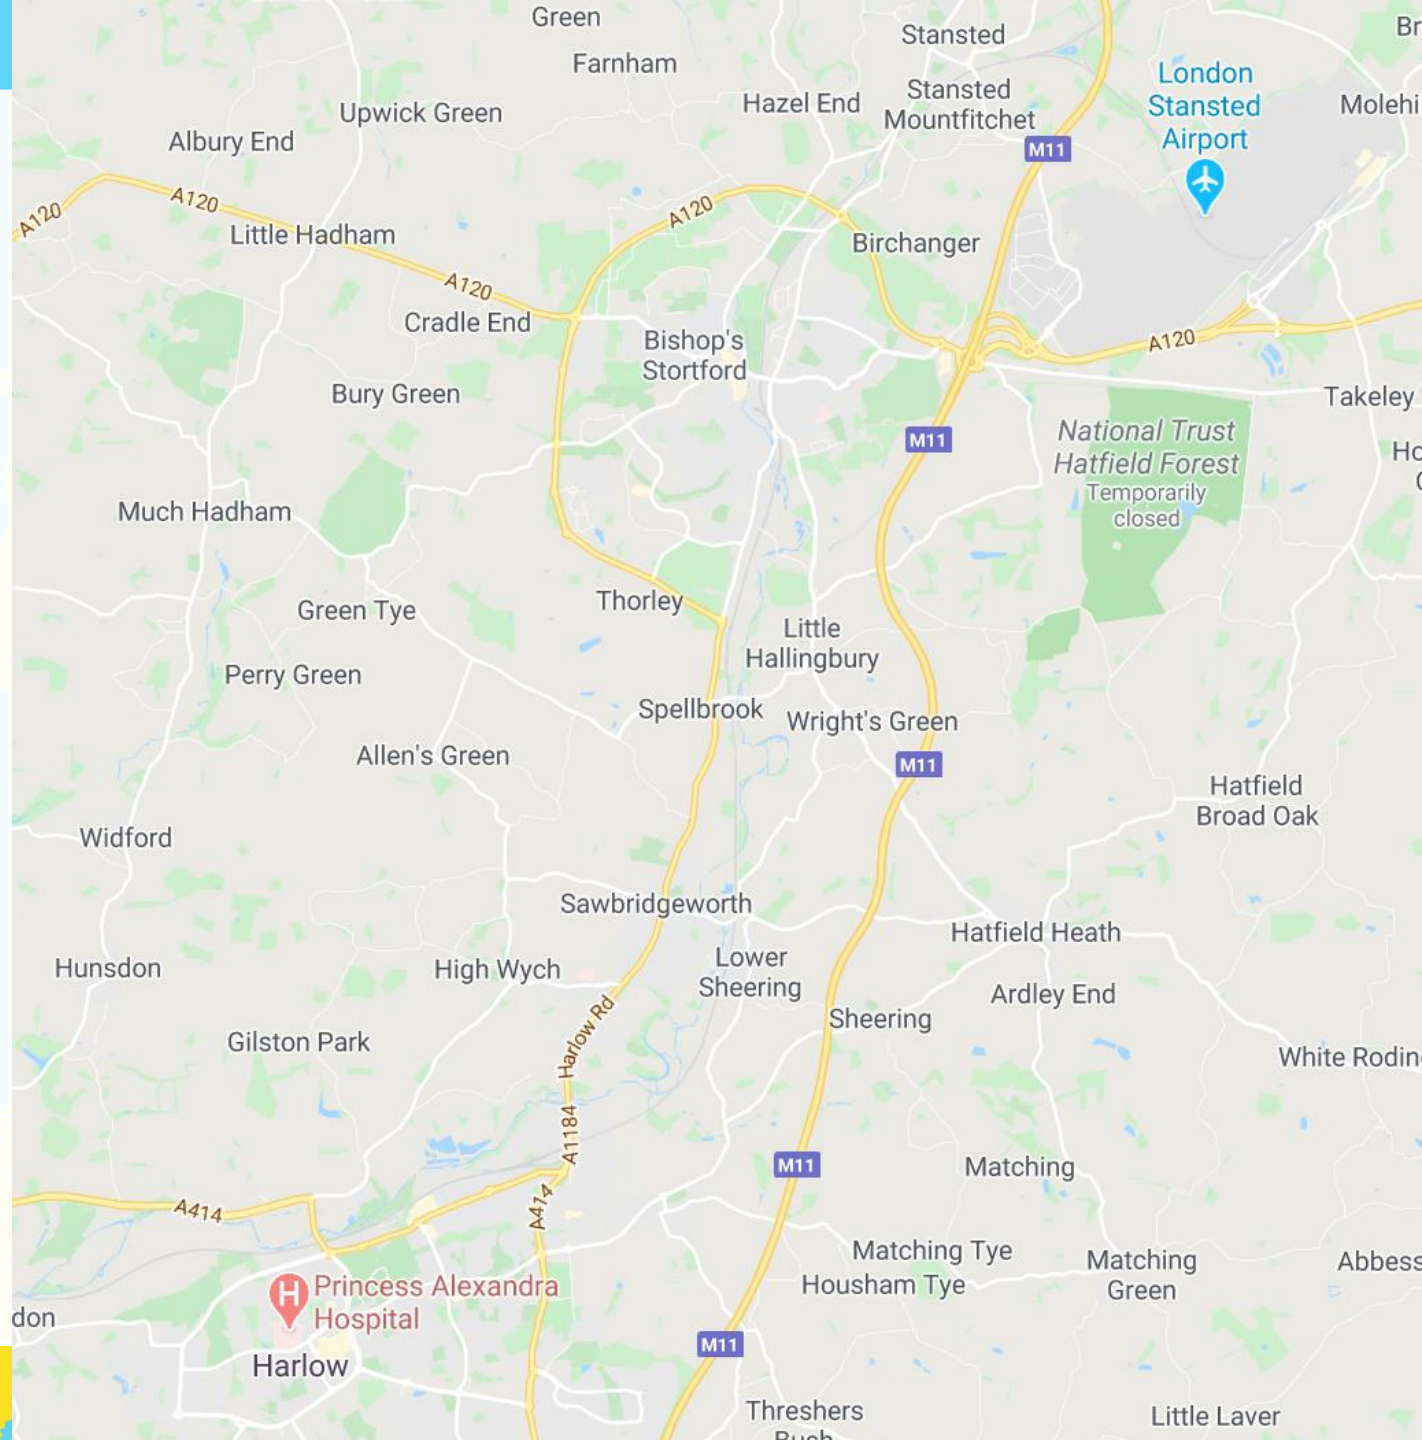

Where is our  
school?

Where do you  
live?

Where do some of  
your friends or  
family live?

Where do you go  
shopping?

What are some of  
these different  
places like?

# Find it!

Using an online map such as google maps, find out more about your local area.

Use the activity sheet to find out where different places can be found – you will need to make notes as you go.

## Our Local Area

Using an online map such as Google Maps, can you find the following places in your local area?

Place	Where is it? Street name/description of place.
