Choose your age group (Sapphire Class age 5-7). Select Week 2, then select Friday. There are some activities to work on here today.</p>
<p>Activity 5</p>	<p>Project work this week aims to provide opportunities to learn more about countries and cities around the world. You may focus on different cultures and traditions, famous landmarks, food and clothing.</p> <ul style="list-style-type: none"> ● Flags- Look at flags from around the world with your child. Discuss which are your child's favourites and why? Ask your child to recreate their favourite; this could be through drawing, collaging etc. Can they place the flag on a map? There are some quizzes that your child can have a go at here. Can they create their own quiz about the UK? ● Dance Around the World- Watch the following dances: Diwali Stick Dance, Maypole Dancing and Spanish Flamenco Dancing. Encourage your child to have a go at some of the moves used in these videos. Record the dances and ask your child to evaluate what they did well and what they could do even better when watching them back. Can your child recreate one of the costumes using items from their wardrobe? Perform the dance to a family member. ● Food Tasting Fun- Find some different fruits from around the world. This could include: mangos, kiwis, pineapples, bananas. Encourage your child to try them and have a discussion about which ones they liked and which ones they did not like. Cut the fruits open and task your child with sketching the inside of each fruit. Remind them to look closely at the patterns and shapes. ● Where in the World? - Have a discussion with your child about your own family heritage. Discuss with them your traditions and where your family originates from. This may be where you live now or it could be somewhere completely different. Ask your child to create a poster or PowerPoint all about their own family. Can they include a 				

	map identifying the country they're from? Speak the Language- There are lots of different ways to say hello around the world. Learn how to say hello in Spanish, French, Mandarin, German, Arabic and Italian with your child using Google Translate . Practise writing hello using the colours of the flag for each country.				
Activity 6	STEM Activity Engineering Around the World - World's Largest Steel Structure <ul style="list-style-type: none"> • The Bird's Nest is the world's largest steel structure and was built in China for the 2008 Olympic Games. It is made out of 26 miles of steel. • Use strips of paper, card or wool to create your own bird nest style building. You might like to search for photos of the 'Birds nest' to help you with your design. 				
	If your child requires more of a challenge, or you believe that there are some gaps in their learning then Century Tech is a fantastic resource that is currently free for home learning. The app is designed to address gaps and misconceptions, provide challenge and enables children to retain new knowledge. It uses artificial intelligence to tailor the learning to your child's needs. Sign up here .
